

Sounds Wonderful – Chris James

Chris James teaches internationally about the healing power of sound, song, voice and meditation. **"Everyone is born with a beautiful voice"**. Through discovering our natural voice, we learn to trust our creativity and intuition, speak our truth...and be heard.

DISCOVER YOUR TRUE SELF THROUGH YOUR VOICE, AND THE HEALING POWER OF SOUND

AMSTERDAM :- A Weekend of Transformation Through Sound

7TH & 8TH May 2011 - 9.30 am to 4.30 pm

Everyone is born with a beautiful voice!

Joyfully explore your voice. Discover that everyone can naturally express with a voice that is beautiful, unique and a true expression of themselves.

Deepen your connection between singing, listening, stillness, and healing sound as you develop the quality of your natural voice.

Develop self-empowering listening and speaking skills.

The gentle inner resonance and strength that you develop will revolutionise your approach to singing and speaking.
